KNIGHTS OF THE
KU KLUX KLAN

INCORPORATED, ATLANTA, GEORGIA

COPYRIGHT, 1925, BY
KNIGHTS OF THE KU KLUX KLAN
INCORPORATED

 DUE to the large number of uniforms and other supplies being manufactured at your plant, your Imperial officers feel that the Klansmen of the nation should be better posted as to these articles, hence this catalogue was prepared.

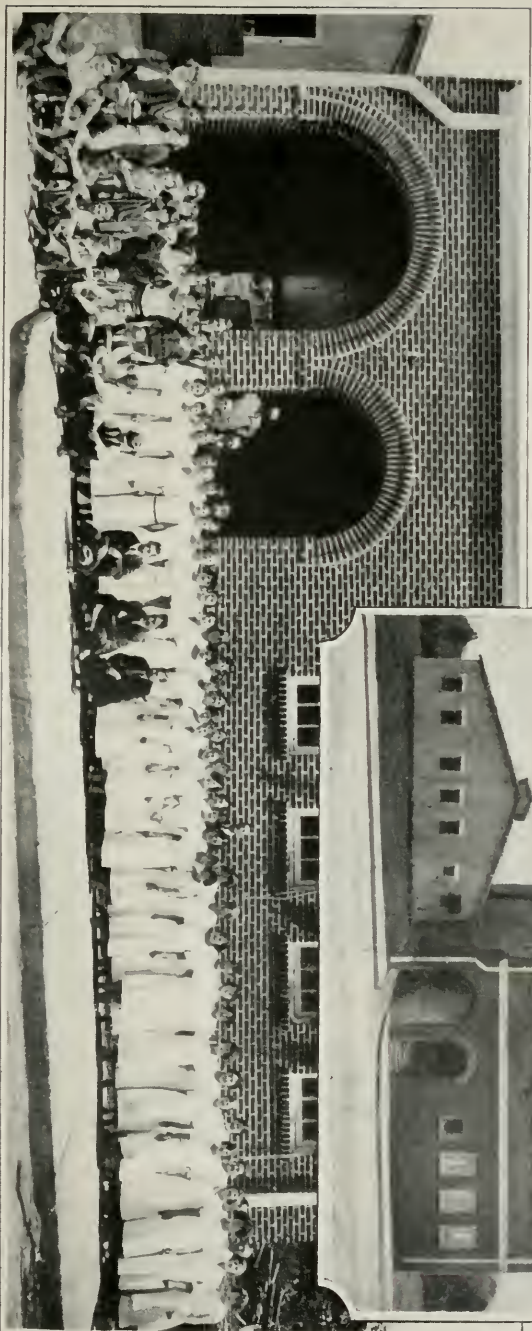

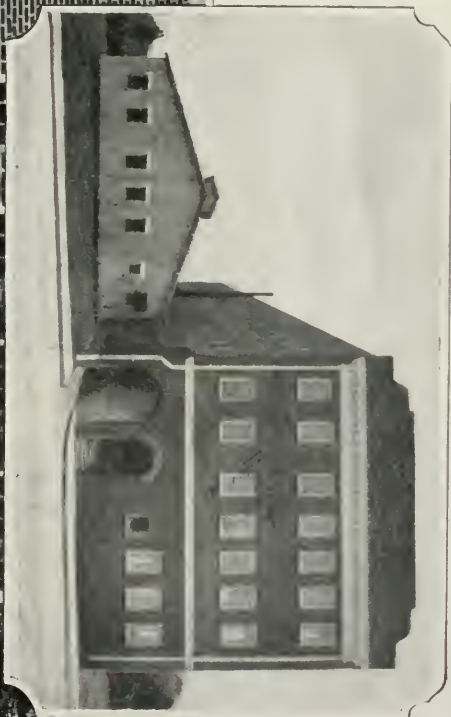

¶ We have endeavored to give full description of all robes, etc., showing materials used and prices.

¶ Each Exalted Cyclops will be furnished with one copy of catalogue, which should be carefully guarded and kept so it can be referred to at all times in ordering regalia, etc. These books are expensive, therefore each Klan must carefully preserve their copies as our supply is limited.

¶ Your Imperial officers also wish to call to your attention, the fact that we have in Atlanta, a new and modern printing plant, owned and operated by our organization; so equipped as to enable us to do printing and binding for local Klans at a worthwhile saving to them. We will welcome inquiries and gladly quote prices on any printing local Klans might need.
